 - 3.2.4. whether you make a profit or a loss will depend on fluctuations in the price of the respective Instrument which is outside XNT's control.
- 3.3. You must make an independent decision as to whether or not to enter into Margined Transactions. Please note:
- 3.3.1. XNT does not provide advice, XNT will not advise on the merits or otherwise of your Margined Transactions;

You furthermore acknowledge that any delegation made pursuant to Clause 10.4 poses operational, credit, counterparty and legal risks and may be susceptible to systemic risk; if any such risk materializes, your money and assets may be lost or become unavailable; for instance, if customers' money or assets are not segregated on a Delegate's books, it may not be possible to identify the money or assets belonging to you or to reattribute them to you; or if a Delegate or Counterparty becomes insolvent, you may not be able to claim back your assets immediately.

You acknowledge that your assets may be placed or kept in a common, omnibus or client account of XNT or any Delegate or are otherwise commingled with assets belonging to other customers, and that if there is an un-reconcilable shortfall in any such account, you may have to share in that shortfall.

While the Company exercises due skill, care, and diligence in selecting and monitoring its Delegates, these Delegates may, in turn, delegate certain safekeeping functions to other entities. Such delegation may introduce additional risks, including but not limited to:

- 3.6.1. Operational Risks: The delegated entity may fail to perform its safekeeping duties effectively, leading to potential loss, mismanagement, or misplacement of your financial instruments.

- 3.6.3. Insolvency Risks: In the event of the insolvency of the delegated entity, there may be delays or difficulties in recovering your financial instruments.
- 3.6.4. Transparency Risks: In the event of the insolvency of the delegated entity, there may be delays or difficulties in recovering your financial instruments.

By agreeing to the use of Delegates, you acknowledge and accept that such Delegates may delegate safekeeping functions to other entities, and that this delegation may involve the risks outlined above. The Client assumes all risks that may arise from capital or foreign exchange control, tax or other financial laws in any country, as well as court awards and resolutions or other administrative decisions of the central banks or other competent authorities that may cause losses or additional expenses to the Client, XNT or third parties.
- 3.8. - 6.3. Personal Data Protection: For the purposes of this Agreement, "GDPR" means the General Data Protection Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, as may be amended or replaced from time to time, and includes any related guidance provided by the European Data Protection Board or any other competent authority; and the words and expressions "controller", "data subject", "personal data", "process / processing", "processor" and "third party" have the same meaning as is assigned to them under article 4 of the GDPR.

Personal data: For the purposes of this Agreement, "personal data" means any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person. Before providing XNT with any personal data you should ensure that the individuals to whom the personal data relate have consented to you providing XNT with their data and are aware of their rights as data subjects under the GDPR, of XNT's identity and that XNT may use their information for the purposes set out below.

To the extent that XNT, as a controller and a processor, processes any information that constitutes personal data, in the performance of this Agreement, XNT undertakes to process such data in accordance with the provisions of the GDPR, in the manner and for the purposes indicated in this Clause 6, and/or as XNT may disclose on its Website or Online Facility, or notify to the Client from time to time.

XNT will process such personal data as may be necessary for the provision of the Services, in accordance with this Agreement, and as XNT may be obliged or authorised to do by or under the Applicable Regulations (including but not limited to, compliance with the Licence conditions and with applicable prevention of money laundering and funding of terrorism legislation and requirements thereunder applicable to XNT) or in line with any data subject consent to processing that it may obtain from time to time.

Any processing of personal data carried out by XNT or any processor appointed by it, shall be undertaken in compliance with the GDPR.

XNT shall ensure that any processors engaged by XNT, which are located outside the EEA shall be subjected to standard contractual clauses or any other equivalent protection measures specified under the GDPR which ensure that transfers outside the EEA are subject to safeguards and protection which are equivalent to those provided to data subjects under the GDPR.

XNT shall furthermore ensure that personal data is only disclosed and processed as authorised or otherwise for contractual necessity, in compliance with its legal obligations or pursuant to XNT's legitimate interests. XNT and its Affiliates may use the information for marketing purposes (including letter, telephone, email or other methods) to inform you or other data subjects about services which may be of interest to you or them. You are hereby being notified that you have an absolute right to object to such and may do so by contacting your usual contact within XNT or the XNT data protection officer at dpo@xnt.mt. XNT may retain personal data after you cease to be a client, for as long as permitted for legal, regulatory, fraud and legitimate business purposes.

You hereby agree to the processing of personal data relating to you, your officers, agents, employees, and other persons related to you in accordance with the provisions of this Clause 6 in relation to the processing of personal data as described above, as may be required by or under the applicable laws.

6.4. Your rights: As a data subject, you are entitled to a number of rights under the GDPR. These rights include the right to:

- Request access to your personal data (commonly known as a “data subject access request”). This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it;
- Request correction of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us;
- Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request;
- Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights

and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms;

- Request restriction of processing of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it;
- Request the transfer of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machinereadable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

Such rights may be exercised by contacting your usual contact within XNT or by contacting the XNT data protection officer directly at dpo@xnt.mt.

Such requests must be made by the relevant data subject and will be handled by us in accordance with the GDPR.

10.10. Client's Account statements will be available online via the Online Facility.

10.11. Reports, statements of Account/s, trade confirmations and all information available via the Online Facility shall be deemed correct and shall be conclusive and binding if you do not objected to by telephone or e-mail immediately upon receipt or posting, and such objection (if made by telephone) is confirmed in writing within one (1) Business Day after posting or the transmission to you or if XNT does not change the confirmed execution price and details. XNT reserves the right to change confirmed rates, prices or trade details of executed and confirmed trades if XNT determines that the electronic or oral price or details related to that trade were reported in error. You agree that such errors, whether resulting in a profit or loss (which will be borne by you), may be corrected and your Account will be credited or debited in such manner and extent as to place the Account in the same position in which it would have been had the error not occurred, without any liability on XNT's part.

II. Margin conditions and security interest

11.1. Sufficient assets: You will ensure that sufficient Clients' Money and Clients' Assets are maintained in the Account, in such amounts or for such value and in such currency as may be specified or requested by XNT from time to time, to meet your obligations under this Agreement including for the provision of Margin. XNT is hereby irrevocably authorised (which mandate is given by way of security to XNT which declares to have an interest therein) to debit and transfer such amount from any Account, without notice:

- i. as required for the payment of any Charges and expenses due and payable to XNT by you in terms of this Agreement, in particular Clause 5;
- ii. as required for the payment of any amounts due to any Delegate, Counterparty, Depository, or other third party in relation to any Order, Contract or Transaction carried out or Instrument held on your behalf;
- iii. to keep, transfer or deposit any Margin as may be required in the relevant Client Account(s) and/or to the relevant Trading Account(s), in particular to ensure that posted marked-to-market margin equals or exceeds required margin on Open Positions as may be required pursuant to Transaction Documentation; and
- iv. to perform such acts as may be required in order to ensure that such debits and transfers can be effected.

11.2. Margin: For the purpose of the Orders, Contracts and Transactions, Client is required to provide and maintain Margin in such amounts and in such forms, and within such limits as XNT or the Counterparties may from time to time require in accordance with the Transaction Documentation. Margin requirements, including initial (opening) margin and maintenance margin requirements, are at XNT or the Counterparty's discretion. XNT or the Counterparty may change Margin requirements at any time and XNT is not required to provide you with advance written notice. Provided that, however, and notwithstanding any demand for additional Margin, XNT or the Counterparty may at any time proceed to liquidate Open Positions in accordance with the Transaction Documentation. XNT or the Counterparty may call for additional Margin at any time the Margin balance falls below the maintenance margin level as applied by the Counterparty.

11.3. Margin Calls: XNT may at any time notify you that unless you transfer to your Account(s) such additional Margin to meet Margin requirements, it or the relevant Counterparty may liquidate any or all Open Positions ("Margin Call"). Once issued, you must comply in full with the Margin Call regardless of any currency value fluctuations and irrespective of any recovery in the market value of the subject Open Positions. You may not increase or establish any new Open Positions while any Margin Call remains unsatisfied. Margin does not represent the total extent of your financial liability to XNT or otherwise, as you are liable for all losses in respect of any Contract or Transaction and any other costs or payments due under the Agreement. Furthermore, you acknowledge and agree that any waiver of margin or failure to make a Margin Call cannot be relied upon, or treated as, an act, omission or representation as to the current value of any of your Open Position.

11.4. Form of Margin: Unless otherwise agreed, Margin must be paid in cash. The currency of the cash margin you pay to XNT shall be the currency of the relevant underlying Transaction or Contract (if applicable) or as XNT may in its discretion reasonably request from time to time.

Non-Cash Margin: Where XNT agrees to accept non-cash collateral as Margin, it must be in a form acceptable to XNT. The value of the non-cash collateral and the proportion of that value to be taken into account for margin purposes shall be determined by XNT in its absolute discretion.

11.5. Security Interest: As continuing security interest for the due payment of the Secured Claims, you hereby pledge:

- i. any present and future cash balances standing from time to time to the credit of any Account (excluding any cash provided as Margin) (the "Cash Collateral"); and
- ii. any present and future Instruments in any Account (excluding any Instrument provided as Margin or otherwise provided as collateral to a third-party collateral taker or a person acting on its behalf (the "Securities Collateral");

as financial collateral (the "Collateral") to XNT, subject to the terms and conditions set out in Clauses 14.1 to 14.4. Where you are a Client which is a non-natural person, the provision of Collateral shall be deemed as being provided in accordance with the Financial Collateral Arrangements Regulations, 2004 (Legal Notice 177 of 2004, as amended) (the "FCAR") and, as applicable, with the provisions of Title XXI of the Civil Code (Chapter 16 of the Laws of Malta) (the "Civil Code"). Where you are a Client who is a natural person the provision of Collateral shall be deemed as being provided in accordance with the provisions of Title XXI of the Civil Code. For the purpose of this Agreement the term 'non-natural person' shall have the same meaning as ascribed to it in the FCAR and your provision of the Collateral under these Terms of Business shall be referred to as the "Collateral Arrangement".

The Collateral Arrangement shall secure until full and final settlement, all present and future, actual or contingent or prospective obligations of the Client, arising under or in connection with this Agreement which give a right to cash settlement, together with all accruing interest and other indebtedness and all losses, costs, charges and expenses incurred by XNT in connection with the protection, preservation or enforcement of its under this Agreement and the Collateral (the "Secured Claims").

Until a Declared Default has occurred, the Client may use and dispose of the Collateral and operate any Account in accordance with this Agreement; this shall be without prejudice to the use of Instruments by XNT or a third party in terms of Clause 10.9.

The Client hereby:

- i. acknowledges and agrees to the pledge of the Collateral, in accordance with the FCAR and/or the Civil Code, as the case may be (depending on whether the Client is a natural person or a nonnatural person) and such other law as may be applicable;
- ii. warrants that XNT will have first-ranking priority with regard to the Collateral, and undertakes not to create or permit to subsist any Security Interest over any part of the Collateral, or knowingly do or permit to be done, anything which might reasonably be expected to depreciate, jeopardise or otherwise directly or indirectly prejudice the existence, validity or ranking of the Collateral, unless otherwise agreed with XNT;
- iii. undertakes to warrant and to defend its right, title and interest in the Collateral and that of XNT under this Agreement against the claims, demands and pretensions of any person whomsoever and the Client shall, at its own expense, perform all such acts as XNT may reasonably require for perfecting or protecting the Collateral Arrangement under this Agreement;
- iv. undertakes to inform XNT promptly upon becoming aware of any seizure by any third party that relates or may relate to the Collateral or any other third-party measures which may impair or jeopardise the Collateral. In the event of any such seizure or measures, the Client shall provide XNT with the order of seizure or declaring the relevant measure and any documents which XNT may request that are necessary or expedient for a defence against such seizure or measures. The Client shall inform the third party promptly in writing of the Collateral Arrangement and render XNT all assistance required or expedient to protect the Collateral;
- v. undertakes to provide XNT with any authorisations and to sign any documents as may be required under any applicable law for the perfection of the Collateral, including the registration of any pledges. The Client hereby also irrevocably and unconditionally authorises XNT, by means of an irrevocable mandate by way of security in favour of XNT (who declares to have an interest in this mandate), to take such measures and perform such acts as may be required (including the

provision of any authorisations and execution of any documents on behalf of the Client) for the perfection of the Collateral.

Without limiting any other rights or remedies under this Agreement or under the Applicable Regulations, upon a Declared Default, the Collateral may, at XNT's discretion, be realised, in whole or in part, in accordance with the following provisions of this Clause 11.5 and where applicable the FCAR and/or any other applicable law:

- i. upon a Declared Default, the Client shall not be entitled to use or dispose of the Collateral and to make any withdrawals or transfers from any Account, unless XNT expressly consents thereto;
- ii. upon a Declared Default, XNT shall be entitled to realise the Cash Collateral, at its discretion, by setting off the amount of any cash balance (as on the date of the Declared Default or thereafter) on any Account, against, or by applying such amount in discharge of the Secured Claims;
- iii. upon a Declared Default, XNT shall be entitled to realise the Securities Collateral, as follows XNT may, at its discretion, sell (including, to any of its Affiliates) or appropriate all or part of the Securities Collateral and set off the value thereof against or apply the value thereof in discharge of the Secured Claims, in such manner and on such terms as it thinks fit;
- iv. XNT shall only realise such Collateral as necessary to settle the Secured Claims (if and to the extent that this is commercially reasonable), but the Collateral Arrangement shall continue to secure any future Secured Claims, until it is terminated or released in accordance herewith. For the avoidance of any doubt, if XNT decides not to realise all the Collateral, it shall be entitled to determine, at its discretion, which part of the Collateral shall be realised;
- v. for the purpose of realising the Collateral, the Client shall, upon XNT's request, promptly furnish XNT with all relevant documents, and shall render all assistance and perform all acts as may be necessary or expedient for the realisation of the Collateral;
- vi. the net proceeds (namely, the proceeds less any taxes, fees costs and expenses) resulting from the realisation of all or part of the Collateral shall be applied by XNT in discharge of the Secured Claims in such order and/or proportion as XNT shall determine in its absolute discretion.

In realising the Secured Claims through the appropriation of part or all of the instruments forming part of the Securities Collateral XNT and the Client agree that the value of the instruments so realised shall be determined by reference to the value of the instruments as follows:

- a. in case of listed instruments by reference to their value as quoted on the relevant exchange as at the date of the Declared Default;

- b. in case of unlisted instruments by reference to the value as at the date of the Declared Default as ascribed to them by an independent valuer appointed by XNT. The cost of the valuer shall be at the cost of the Client.

Without prejudice to the foregoing, XNT shall be entitled to take all measures and perform all acts on behalf of the Client, as may be necessary or expedient for the realisation of the Collateral, and the Client hereby irrevocably and unconditionally authorises XNT, by means of an irrevocable mandate by way of security in favour of XNT (who declares to have an interest in this mandate) to take such measures and perform such acts. Notwithstanding the realisation of Collateral by XNT on one or more occasions, the Collateral Arrangement shall not expire or terminate before and unless all Secured Claims have been fully and finally discharged and settled, and there is no amount outstanding under the Secured Claims, whether for principal, interest, fees, discounts or other costs, expenses, Charges or otherwise.

Upon full and final settlement of all Secured Claims as mentioned in this Clause 11.5, XNT shall at the cost and expense of the Client, confirm to the Client in writing the release of the Collateral, do everything necessary to effect that release, and surrender the surplus of proceeds, if any, resulting from any realisation of the Collateral to the Client.

- 11.6. Right of Retention: XNT has a right of retention over the Clients' Money and Clients' Assets, to the extent of any lawfully due but unpaid Charges and expenses under this Agreement, until the same are paid in full by you.

XNT may exercise its right of retention by refusing to carry out any Order or Instructions to transfer, realise, dispose of or otherwise transact in any Clients' Money and Clients' Assets (which XNT may select at its sole discretion) and/or to refuse repayment of any Clients' Money up to a value which is, in the opinion of XNT, sufficient to cover the amount of any unpaid fees and expenses under this Agreement. XNT will notify you of its decision to exercise its right of retention as aforesaid; provided that lack of or delay in notification does not prejudice XNT's right of retention. XNT is not liable for any loss or prejudice suffered as a result the exercise its right of retention.

- 13.2.3. to close out, replace or reverse any Open Position, Instruction, Order, Contract or Transaction, buy, sell, borrow or lend or enter into any other Contract or Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at XNT's sole discretion, XNT considers necessary or appropriate to cover, reduce or eliminate any loss or liability under or in respect of any of your Instruments, Open Positions or commitments;

14. Set-off and netting

- 14.1. Set-off: Immediately upon the occurrence of a Specified Event, all outstanding Orders, Transactions and other commitments made by XNT on your behalf will be cancelled, and no Orders may be placed by you or Transactions or Contracts entered into on your behalf.
- 14.2. Immediately upon the occurrence of a Specified Event:
- i. all Open Positions will be terminated and closed-out and XNT's obligation to (re-)deliver Securities will be converted into a monetary obligation as provided below, and XNT shall determine, as at the Specified Event or as soon as reasonably practicable thereafter, the amount payable by or to you as a result of the termination and close-out of the Open Positions and the conversion of the obligation to (re-)deliver Securities into a monetary obligation, net of any fees, expenses or other amounts due to any Counterparty or other third party (the "Liquidation Amount"); and
 - ii. all outstanding obligations of XNT to pay or repay any amount under this Agreement to the Client (including the obligation to return any Client's Money) shall become due for performance immediately; and
 - iii. all outstanding obligations of the Client to pay or repay any amount under this Agreement to XNT (including the obligation to pay or reimburse any Charges or expenses related to the Services, in particular those referred to in Clause 5) shall become due for performance immediately; and the performance of the respective obligations of the Parties with respect to the (re-)payments

(including the payment of the Liquidation Amount), as aforesaid shall be effected in accordance with Clause 14.3.

XNT's obligation to (re-)deliver Securities referred to in paragraph (i) will be converted into a monetary obligation to pay the amount equivalent to (i) the net proceeds of the realisation of Securities (if XNT chooses to realise such Securities on or after the Specified Event) or (ii) the value of the Securities determined by XNT as the amount which is XNT's estimate of the net proceeds that would be realised on a sale of such Securities after deducting all reasonable costs, fees, expenses and Taxes (if any) incurred in connection therewith, based on bid quotations in respect of the Securities of the relevant description (unless XNT determines it to be unreasonably practicable to obtain such bid quotations) obtained as of such date or dates as XNT thinks fit, in its sole and absolute discretion, from two or more market makers or regular dealers in the appropriate market for Securities of that description in a commercially reasonable size (as determined by XNT).

Provided further that in respect of the outstanding obligations of XNT to (re-)deliver Securities, which are converted into a monetary obligation as per paragraph (i), the Securities may be realised by XNT, at its discretion, upon or after the Specified Event.

If the balance is due by you, you shall promptly pay such balance upon XNT's demand; in the event of late payment by you, late payment interest shall accrue and be due and payable in accordance with Clause 5.9.

14.4. XNT is hereby irrevocably authorised (which mandate is given by way of security to the XNT which declares to have an interest therein) to terminate and close out all or part of the Open Positions and/or to realise all or part of the Instruments at your expense in accordance with Clause 14.2 or as otherwise provided in this Agreement; and to perform such acts as may be required in order to ensure that the same can be effected, without notice to the Client (including, to execute and deliver on behalf and/or in the name of the Client or otherwise, any powers of attorney, undertakings, representations and warranties and other documents, and to give any notices, and perform such acts on behalf and/or in the name of the Client or otherwise).

Additionally we may, in our discretion and without providing any explanation for doing so, terminate this Agreement immediately and/or suspend or close any of your Accounts, additional Accounts and/or any sub-accounts of any such Account and/or suspend or cancel the provision of any Services, whether in general or in relation to any specific Instruments, by giving you a notice to that effect, if we believe in our discretion that any such action is necessary or desirable to comply with any legal or regulatory requirements or any regulator's requests applicable to us, any of our affiliates, agents, officers or employees. Any such action of XNT shall be without any liability for damages whatsoever.

15.4. The termination of this Agreement takes effect: (i) in the event of termination under Clause 15.2, on the date of expiration of the notice period; or (ii) otherwise, on the date of notice of termination given by either Party to the other Party, or such later date as may be specified in the notice (the "Termination Date").

- 15.5. Without prejudice to any other rights and remedies under this Agreement or the Applicable Regulations, if you fail to cancel all outstanding Transactions and Orders, close out all Open Positions and realise all Instruments by the Termination Date XNT may, without notice, do the same on your behalf, and you hereby irrevocably authorise XNT to do so (which mandate is given by way of security to the XNT which declares to have an interest therein).
- 15.6. Termination shall be without prejudice to accrued rights and remedies, and the existence and enforceability of any Open Position, which shall continue until close in accordance with this Agreement, unless otherwise specified.
- 15.7. Upon termination, all amounts due by you to XNT will become immediately due and payable including (but without limitation):
- i. all outstanding fees, charges and commissions and other amounts due and accrued;
 - ii. any dealing expenses incurred by terminating this Agreement; and
 - iii. any losses and expenses realized in closing out any Transactions or settling or concluding outstanding obligations incurred by XNT on your behalf.
- 15.8. Termination shall not affect then outstanding rights and obligations under the Agreement and Transactions which shall continue to be governed by the Agreement and the particular clauses agreed between us in relation to such Transactions until all obligations have been fully performed.
- 15.9. Without prejudice to any right or remedy which may be available to any Party in respect of the cause of termination of this Agreement, neither Party is entitled to compensation from the other Party solely by reason of the termination where the Agreement is terminated by the other Party in accordance with this Agreement.
- 15.10. Upon termination (and not later than the Termination Date), the Client shall (i) cease the use of the Services and destroy all Authenticators then in possession or control of the Client and (ii) without prejudice to Clause 14, pay to XNT all fees, expenses and liabilities due up to the Termination Date.
- 15.11. As soon as reasonably possibly following the Termination Date and subject to the provisions of Clause 14, XNT will return any Client's Money to the Client or to the Client's order, and, XNT may accept, at its discretion and subject to such terms and conditions as may be agreed between the Parties, deliver any Securities to the Client or to the Client's order.

16. Net payments

16.1. Without prejudice to Clause 14, XNT may at any time set off any liabilities to make payment owed by XNT to you against any liability of yours to make payment to XNT.

16.2. When a Client of XNT acts as a Counterparty of XNT and holds financial instruments and/or cash in any currency deposited by XNT, XNT is entitled to net off, in total or in part, the cash deposits made by the Client in any currency and/or the financial instruments deposited by the Client with XNT, against the cash deposits made by XNT in any currency and/or financial instruments deposited by XNT with this Client as the Counterparty, provided these financial instruments are of an identical type, having the same rights and, for securities, are of the same issuer. XNT reserves the right, without prior notice, to:

- i. amend the details of such Order or Transaction to reflect what XNT considers in XNT's discretion, acting in good faith, to be the correct or fair terms of such Order or Transaction absent such Manifest Error/s;

- ii. if you do not promptly agree to any amendment made under (i) herein XNT may void from its inception any Order or Transaction resulting from or deriving from a Manifest Error; and/or
- iii. refrain from taking any action at all to amend the details of such a Order or Transaction or void such Order or Transaction.

17.3. XNT shall not be liable to you for any loss, cost, claim, demand or expense you suffer (including loss of profits or any indirect or consequential losses) resulting from a Manifest Error or XNT's decision to enforce the details of an Order or Transaction notwithstanding any Manifest Error, except to the extent caused by XNT's own fraud, willful default or negligence. In the event that a Manifest Error is made by any Market, Counterparty, price providing third party, information source, commentator or official on whom XNT reasonably relies, XNT will not be liable to you for any loss, cost, claim, demand, or expense, except to the extent caused by its own fraud, willful default or negligence.
